I, \_\_\_\_\_, understand that in becoming a Student Ambassador, I am joining a program that offers a unique and enjoyable educational travel experience, an opportunity for personal growth and development, and a long People to People tradition of working to further international friendship and understanding.

As a Student Ambassador, my actions reflect not only on me, but on my delegation, my family, and my country as well. To that purpose, I will be mindful of my actions, manners, speech, and conduct with others. I understand my responsibilities to be those of extending goodwill, friendship, courtesy, and respect to whomever I meet, and sharing the best of who we are as American citizens.

I accept the supervision and discipline of my delegation leaders, who have been appointed by the People to People Student Ambassador Program to ensure a safe and rewarding learning experience for all Student Ambassadors.

I have read and I understand the **Standards for Success** as stated in the Student Ambassador Protocol. I understand that these guidelines are necessary for my safety, security, and general welfare and those of my fellow Student Ambassadors. If I purposefully fail to follow those agreed-upon guidelines, I understand that I am responsible for the stated consequences of my actions (at left).
